

## FALL 2018 CLUB BUDGET ALLOCATION SUMMARY

All budget requests were thoroughly reviewed by the Financial Policy Committee. Grants were given out based on many factors, including active members, travel, the club's involvement and activity, events to be organized, and the general standing of the club. If you have any questions, feel free to contact the Vice-President of Finance, Thomas Braun (VPFMSU@gmail.com).

General procedure:

Large, historically active and reputable clubs were given up to 5000\$

- Events or conferences with the most participants were prioritized
- Grants were allocated for food for cultural awareness events
- Grants were not allocated for snacks during meetings
- Grants were not allocated for advertisements, such as posters
- Loans were not given for bake sales
- Clubs with enough fundraising carryover to cover their expenses were not given additional grants
